Disaster Preparedness Program Workshop

February 13, 2018 @ 7 pm

Active Shooter Awareness Workshop

The First United Methodist Church's Disaster Recovery Ministry continues its Preparedness Program workshops on February 13, 2018 with the topic of Active Shooter Awareness to help the community become knowledgeable of what is meant by the term of "active shooter", how frequent/common of a problem is there with active shooter events, and what should "you" do to help protect yourself should you become involved in an active shooter event.

In addition to a presentation by church Disaster Recovery Ministry personnel, representatives from the Millville Police Department will be participating in the workshop, and available to answer questions. Come join us at 7PM on Tuesday, February 13th in Reeves Hall at the First United Methodist Church located 201 N. Second Street, Millville. (Entrance from the parking lot side of church). The Preparedness Program Workshops and Training sessions are held monthly on the second Tuesday of each month through June 2018.
